

YOHAN GARCIA

SOFTWARE DEVELOPER

PERSONAL PROFILE

I'm Yohan Garcia, a full stack Web Developer. After taking my first programming course, I fell in love with software development. Since then, it has been a non-stopping learning experience, and I have enjoyed every single bit of it. My portfolio will help you better understand who I am and the technical knowledge I possess.

AREAS OF EXPERTISE

System Analysis User Research
Object-Oriented Design
Optimization
Database Modelling
Software Testing and Debugging
DOM Manipulation
SEO (search engine optimization) specialist
UX (user experience) designer
